

To Deryl Roeger,

Thank you very much for your letter. I am mailing Jeanette a thank you letter at once. I feel greatly honored and grateful for all of the insight and assistance given to me. Am I blessed or what?? I sure believe so. I can sit back, take a deep breath, and relax... being content with myself for today. Thank you, thank you, thank you!!

Any part of my letters are yours to use any way needed. I feel deeply honored to even think any part of it was even considered. Talk about being blessed.

I am currently working as a sponsor for two people who are in A/A and N/A programs. Your classes help me, not only in me, working the steps but, in other people taking a different look at their problem also.

Life is great today, you helped make it possible.

Thanks so very much,
you in my prayers.
